

The Thirteenth International Conference on
"Hyperbolic Problems: Theory, Numerics, Applications"

June 15-19, 2010

Xijiao Hotel, Beijing, P.R. China

It is the 4th announcement of the thirteenth International Conference on "Hyperbolic Problems: Theory, Numerics and Applications" (HYP2010) will be held at the Xijiao Hotel, Beijing on June 15-19, 2010. The abstract review of contributed talks of HYP2010 conference is almost complete. The notice and electronic version of invitation letter shall be sent very soon to those whose abstracts were accepted by our HYP2010 Scientific Committee. If you wish to participate in the HYP2010 conference but without delivering any talk, please kindly inform us after you register online through the HYP2010 website (<http://www.amt.ac.cn/hyp2010/>), so that we can make suitable arrangement and send you the invitation letter for visa applications.

Please **book your favorite room in the Xijiao Hotel as soon as possible** through the HYP2010 website, due to the limitation and possible cut-down of the available rooms in the Xijiao Hotel with the special price for HYP2010 conference. Thanks a lot in advance.
