To all students that did not hand in a project this semester:

You will be allowed to write the exam if you were admitted to the exam in an earlier semester.

The final mark will then only consist of the exam,

i.e. the maximum number of points that can be achieved is 80 out of 100.

**If you have any question or there is any mistake please contact us as soon as possible!**

**The deadline for comments is 30.11 as we will hand in the list to the administration in the morning of 01.12.**
