

RNDr. Jiří Rákosník, CSc.

Curriculum vitae

Personal Information

- Born on 19 December, 1950 in Varnsdorf, Czech Republic
- Married, two children

Affiliation

- Institute of Mathematics
Academy of Sciences of the Czech Republic (AS CR)
Žitná 25, 115 67 Praha 1, Czech Republic
Telephone: +420 222 090 762, +420 606 692 101
Fax: +420 222 090 701
E-mail: rakosnik@math.cas.cz

Current Position

- Deputy Director
- Researcher in the Department of Qualitative Methods of Mathematical Analysis

Background and Academic Qualification

- 1980: CSc. degree (PhD. equivalent), Charles University, Praha, mathematical analysis (Thesis: Weak solutions to non-linear partial differential equations in anisotropic Sobolev spaces)
- 1978: RNDr. degree, Charles University, Praha (Thesis: Anisotropic Sobolev spaces)
- 1975: graduated from Charles University, Faculty of Mathematics and Physics, Praha, mathematical analysis

Professional Experience

- Since 2009: Institute of Mathematics AS CR, Deputy Director
- 2001–2009: Presidium of the Council, AS CR, member responsible for economic matters
- 2001–2009: Council for Economy AS CR, President
- Since 2007: Supervisory Boards in 7 research institutes of the AS CR, member and Chairman
- 2003–2005: Advisory body for the Committee for Science, Education, Culture, Youth and Sport of the Parliament of the Czech Republic, Chamber of Deputies, member
- Since 2001: Member of several ad hoc committees and working groups for legislation and conceptual matters in R&D (National R&D Policy, Analysis of the State and Trends of R&D in the Czech Republic, Act on Public Research Institutions etc.)
- 1999–2001: Supervisory Committee of the Academy Assembly AS CR, Vice-President
- 1993–2001: Council for Economy AS CR, member
- Since 1998: Academy Assembly AS CR, member
- 1990–1996: Institute of Mathematics AS CR, Deputy Director
- Since 1980: Institute of Mathematics AS CR, researcher
- 1979–1980: Czech Agriculture University, Prague, lecturer

Research Activities

- Mathematical Analysis: theory of function spaces, weighted estimates for integral and differential operators, applications for partial differential equations
- Digitization of mathematics and digital mathematics library
- Author of more than 30 research papers, editor of 7 conference proceedings
- Participant in 6 national and international research projects
- Research visits and lectures: Bulgarian Academy of Sciences in Sofia, University of Helsinki, University of Oulu, Georgian Academy of Sciences in Tbilisi, Freie Universität Berlin, Universität Erlangen-Nürnberg,

Friedrich-Schiller-Universität Jena, Humboldt Universität Berlin, Baptist University Hong Kong, Chinese University Hong Kong, Polytechnic University Hong Kong, Banach Center Warsaw, Russian Academy of Sciences in Moscow, University of Sussex, University of Wales

Other Activities

- Since 2010: ESF Finance & Audit Committee, member
- Since 2009: Committee for Electronic Publishing, European Mathematical Society, member
- Since 2000: European Mathematical Society, member
- Since 1996: Czech Mathematical Society, Vice-President
- 1991–1998: Council of the European Mathematical Society, member
- Since 1997: Czech Editorial Unit of the Zentralblatt-MATH, head
- 1993–1996: Union of Czech Mathematicians and Physicists, Vice-President
- 1993–1996: Czech Mathematical Society, President
- 1990–1993: Czech Mathematical Society, Vice-President

Selected Publications
