European Student Conference
in Mathematics

EUROMATH 2011

Athens, Greece

29 March – 3 April, 2011

Suggestion: EMS could cooperate by

MATHEMATICS THEATRE Competition

THALES FOUNDATION

Cities and science communication: innovative approaches to engaging the public

The Jury

DVD of finals

Proposal

European Mathematics Theatre

Step 1: Videos are uploaded on website or sent by mail

Step2: Jury views videos and votes on-line

Step3: Best 8-10 are invited to live presentation during
EUROMATH conference

Estimated cost of such activity: 10.000 euro for the
first year

Cost to set up the web-system to accept videos and provide
access to the jury, promotion and audio-visual cost during the
finals, limited jury expenses.

Additional suggestions:

- ERASMUS Mathematics Experience column at the Newsletter

*ERACON Conference and Exchange Fairs
Session at ERACON 2011*

- FAMELAB Mathematics promotion and support to participants

- CAREER Guidance and Mathematics

Session at CAREER-EU 2011 conference
